

 NOW ENROLLING
**KIDDIE COLLEGE
LEARNING
CENTER**

PROGRAMS FOR: **CHILDREN, YOUTH & FAMILIES**

In partnership with Gads Hill Center, Kiddie College provides a safe and stimulating environment to help improve early childhood education in the Wrightwood community. We focus on developmental milestones and provide children with strategies that help flourish the emotional, social, and cognitive skills they'll use every day. Our goal is to instill and nurture each child's lifelong love of learning.
